JTF TOKEN USE CASES

This document was **last updated on September 5, 2020**

The following are but not limited to the use cases of the Josh2funny (JTF) token. The purpose of the token is to engineer more interactions with the Josh2funny person, brand, services, offline and online, and also for use in Krosscoin ecosystem or third-party dapps or blockchain platforms.

JTF tokens will either be **STAKED** in wallets or **SENT** as payment to access any of the following:

1. Lunch with Josh2funny
2. Token-holder parties
3. One Autograph
4. Voting on Josh2funny issues
5. Voting on Josh2funny social media challenges
6. Video call with Josh2funny
7. Personal text from Josh2funny on your birthday
8. Personal text from Josh2funny on 1 relative's birthday or any anniversary
9. Personal audio call from Josh2funny on your birthday
10. Personal audio call from Josh2funny on 1 relative's birthday or any anniversary
11. Behind the curtains invitation on Josh2funny events
12. Behind the curtains invitation on Josh2funny collaborated events
13. Josh2funny wears your branded t shirt or cloth and post on his Instagram page

14. Josh2funny sets up a connection (phone, virtual or live) with another celebrity of your choice. (Other celebrity has to agree, or you keep selecting till one agrees)
15. You can send your tokens to others wallet as a gift
16. Use as payment for merchandise on Josh2funny ecosystem or anywhere it is accepted.
17. Josh2funny likes your Instagram post
18. Josh2funny helps you get another celebrity to like your Instagram post
19. Tipping on Josh2funny or Krosscoin community.
20. For use in JTF powered crypto app games, and other platforms.

The token costs for each use case above will be made known in an updated document and available on the website. Both JTF and KSS tokens will be required for many of the use cases.

The use cases may be updated at any time. Krosscoin and Josh2funny reserves the right of final interpretation of each use case, subject to logical reasoning.

This document is written by CLIQUE, in collaboration with Josh2funny, the celebrity.
